

# PLC For Machine Automation

**FE** Fuji Electric

**VIZEN SOLUTIONS**  
Small step for mankind

## SPF-Motion Control System

- Maximum I/O capacity: DI/DO 512 nos.
- Power Supply - 1 Phase 100-240 VAC - (15%/+10%)
- Simple & Smart modular PLC
- High Performance with "System on Chips"
- High Speed Counters - 4 nos. Each 200kHz & 5KHz
- 4 Axis High Speed Pulse Output for NC Position Control
- 16 High Speed Interrupts or Captured Inputs

Automation Solutions For Packaging Machines | Printing Machines |  
Cranes | Automobile Industry | Special Purpose Machines
